CONFLICT MINERALS DECLARATION

As a responsible company, Maatmetaal Rotterdam B.V. supports the goal of the Dodd-Frank Wall Street Reform and Consumer Protection Act that serves to prevent armed groups in the Democratic Republic of the Congo (DRC) and adjoining countries from benefitting from the sourcing of “conflict minerals” (tin, tantalum, tungsten and gold) from that region. Our objective is to ensure that only “conflict free” materials and components are used in products that we supply.

Maatmetaal Rotterdam B.V. declares the following about the products they deliver after investigating and requesting their suppliers:

- The cast iron bars and tubes do not contain conflict minerals.
- The bronze bars and tubes do not contain conflict minerals, except for tin. The tin is not coming from conflict regions.

We undertake to inform immediately if we discover the use of these minerals produced in facilities that are considered to be “non-conflict free”.

Rotterdam, 24 September 2024.

Maatmetaal Rotterdam B.V.

D. Vldar
Director
